Hello, Lisa,

I hope you are enjoying this beautiful weekend and the last moments of summer!

Thank you for attending the Troupe/Parent Orientation on Wednesday. For those that missed the meeting, a quick recap is below. Additional information about our performance venue has been added as well. Please reach out if you have any questions.

[IMPROV TROUPE WEBPAGE](#)

Improv Webpage has all troupe related information posted in one place including the list below.

- PARENT HANDOUT details all pertinent information for the troupe.
- All TICKETS are sold through the Fringe Festival website. The link is included on the troupe webpage.
- NEW CONFLICT FORM

OTHER IMPORTANT DETAILS

- MASKS: While rehearsing indoors at Stages, the troupe will wear

masks. While performing on the outdoor Dawn Lipson Canalside Stage, our fully vaccinated troupe will not wear masks.

- SAFETY: Fringe guidelines for outdoor venues require that all unvaccinated audience members wear masks. Read more here: [FRINGE SAFETY GUIDELINES](#)
- DROP OFF/PICK UP: Please do not drop your troupe member at Stages more than 15 minutes before rehearsal begins. After rehearsal, no troupe members should be waiting at the downstairs door for a ride. Text them to come down when you are in the parking lot.
- PERFORMANCE WEAR: Stages will provide a show t-shirt. Students are asked to wear black pants and shoes that are firmly attached to their feet (no flip-flops, slides, sandals or crocs).
- ATTENDING PERFORMANCES: Hilary strongly encourages troupe members to attend the show when not performing. Each troupe member will receive a **Participant Pass** which allow them to access tickets to any Fringe show for \$5 starting 10 minutes before curtain up on a space available basis. The Canalside Stage is a large venue, so there should be no problem getting a seat with the pass.
- WEATHER: Outdoor events go on rain or shine except in the case of extreme weather events. There are chairs/coverage under the tent for approx 175 people.
- BOX OFFICE: We highly recommend buying tickets in advance, with the exception of the Participant Pass rush tickets. For tickets purchased at the door, the box office is located just outside the Hart Theatre entrance which is inside the JCC.
